Resident shall pay monthly rent of \$ 50.00 If this Lease begins on a day other than the first day of the month, the first month's rent shall be \$ 12.00

This rent is based on the Authority determined flat rent for this unit.

This rent is based on the income and other information reported by the resident.
(Check one)

Families may change rent calculation methods at any re-certification. Families who have chosen the flat rent option may request a reexamination and change to the formula based method at any time if the family's income has decreased their on-going expenses for such purposes as child care and medical care have changed, or for any other circumstances that create a hardship for the family that would be alleviated by a change.

The amount is due on the first day of each month without demand and shall remain in effect until adjusted in accordance with the provisions of this Lease.

If Resident fails to make the full rent payment by the seventh (7th) calendar day of the month, a notice to vacate will be issued to the Resident. A \$30.00 late charge will be assessed if the rent is not paid by the seventh calendar day of the month. A check returned shall be considered non-payment of rent and in addition to the charge a \$30.00 returned check fee will be charged for a total of \$50.00.

If the Resident is required to pay retroactive rent it is due in one payment.

In the event legal proceedings are required to recover possession of the premises, the resident will be charged with the actual cost of such proceedings including, but not limited to, serving of notices, attorney fees, court costs and Authority staff charges.

Section 3 OTHER CHARGES

In addition to rent the resident is responsible for the payment of certain other charges specified in this Lease.

Other charges can include:

- a) **Maintenance Charges** - The cost for service repairs, or damages, beyond normal wear and tear, to the apartment, facilities, buildings, common areas, or grounds, caused either intentionally or negligently, by the Resident's household members or guests. Additionally, Resident may be charged for the labor and material necessary to restore the premises to their original condition because of unauthorized changes made to the premises. Resident may be charged with the actual cost for cleanup or removal of litter and garbage left in the premises, common areas or grounds. When the Authority determines that needed maintenance is not caused by normal wear and tear, Resident shall be charged for the cost of such maintenance or damage either in accordance with the Schedule of Resident Charges, or for work not listed, based on the actual cost to the Authority for labor and materials needed to complete the work. A charge of \$25.00 will be assessed for all maintenance requests that are deemed not valid. Residents who wish to dispute maintenance costs may use the Authority's Grievance Procedure.
- b) **Excess Utility Charges** - The Authority provides a monthly gas and electric allowance, if this amount is exceeded the Resident will be assessed for excess utility consumption.
- c) Any charges made under subparagraphs (a) or (b) above shall become due and collectible no earlier than fourteen (14) calendar days following the day on which the charges are posted to the Resident's account.
- d) The Resident will be charged and hereby agrees to pay a late fee of \$30.00 on any rent/charges not paid by 4:00 p.m. on the seventh (7th) calendar day of the month, not postmarked the seventh or not placed in the night deposit before 8:00 am of the next working day
- e) The Resident will be charged, and hereby agrees to pay \$30.00 for any check returned.

Section 4 UTILITIES AND APPLIANCES

- e) Resident agrees not to waste the utilities provided by the Authority and to comply with any applicable law, regulation or guidelines with any governmental entity regulating utilities.

Section 5 RE-DETERMINATION OF RENT AND FAMILY COMPOSITION

Each year, by the date specified by the Authority, Residents who are paying rent based upon their income shall provide updated information regarding income, assets, expenses, and family composition. The Authority shall verify the information supplied by the Resident and use the verified

information to establish the amount of the Resident's rent for next year. Failure to supply such information is a serious violation of the terms of this Lease for which the Authority may seek to terminate the Lease and/or increase Resident's rent to the appropriate flat/ceiling rent. All information must be verified. Resident agrees to comply with the Authority's request for reexamination by signing releases for third-party sources, presenting documents for review, or providing other suitable forms of verification in a timely manner. The Authority shall give the resident reasonable notice of what actions Residents must take and of the date by which such action must be taken or compliance under this section. This information will be used by the authority to decide whether the amount of rent should be changed and whether the dwelling size is still appropriate for the Resident's needs. This determination will be made in accordance with the ACOPP.

Income reviews will be held every third year for Residents choosing the flat rent option. Residents who have chosen this option will be notified at the appropriate time for their re-certification.

In cases where annual income cannot be projected for a twelve month period or if the Resident is reporting no income and Resident has chosen the percentage of income rent option, the Authority will schedule special rent reviews every sixty (60) days. The Resident may request a change in the rent choice option before the review if the family experiences a decrease in income, their circumstances have changed increasing their expenses for child care, medical, etc., or other circumstances create a hardship on the family.

Residents paying rent based on income may meet with the Authority to discuss any change in rent resulting from the re-certification process, and if the Resident does not agree with the determination of Resident rent, the Resident may request a hearing in accordance with the Authority's grievance procedures.

Section 6 INTERIM RENT ADJUSTMENT

Resident must report within ten (10) calendar days any of the following changes in household circumstances that occur between Annual Rent Re-certifications:

- a) A member has been added to the family through birth, adoption, or court awarded custody, or a household member is leaving or has left the family unit.

In addition, Residents paying rent based on a percentage of income must report within ten calendar days the following activities that occur between Annual Rent Re-certifications:

- b) An increase or decrease in income or assets for any family member;
- c) Childcare expenses for children under the age of 13 that are necessary to enable a member of the household to be employed or go to school;
- d) Handicapped assistance expenses which enable a family member to work;
- e) Medical expenses of elderly, disabled or handicapped headed households that are not covered by insurance;
- f) Other family changes that impact their adjusted income.

Notwithstanding the provisions listed above, a Resident's rent shall not be reduced if the decrease in the family's annual income is caused by a reduction in the welfare or public assistance benefits received by the family that is a result of the Resident's failure to comply with the conditions of the assistance program requiring participation in an economic self-sufficiency program or other work activities. In addition, if the decrease in the family's annual income is caused by a reduction in welfare or public assistance benefits received by the family that is the result of an act of fraud, such decrease in income shall not result in a rent reduction. In such cases, the amount of income to be attributed to the family shall include what the family would have received had they complied with the welfare requirements or had not committed an act of fraud.

For purposes of rent adjustments, the reduction of welfare or public assistance benefits to a family that occurs as a result of the expiration of a time limit for the receipt of assistance will not be considered a failure to comply with program requirements. Accordingly, a Resident's rent will not be reduced as a result of such decreases.

The Authority shall verify the information provided by the Resident to determine if an increase or decrease in the rent is warranted.

Section 7 EFFECTIVE DATE OF RENT CHANGE

The Authority shall give the Resident written notice of any change in the Resident's rent. The notice shall be signed by the Authority, state the new amount the Resident is required to pay, and the effective date of the new amount.

- a) Rent Decreases: The Authority shall process rent decreases so that the lowered rent amount becomes effective on the first day of month after the Resident reported change in household circumstances verification process is completed.
- b) Rent Increases: The Authority shall process rent increase so that the Resident is given no less than 30 calendar days advance written notice of the amount due.
- c) All requests for rent adjustment received after the 20th day of the month will be considered the next month's business.

Once the rental rate is established, it shall remain in effect until the effective date of the next annual review, unless another interim review and change is warranted, or the Resident elects to change to or from Flat rent calculation method.

Section 8 RESIDENT OBLIGATION TO REPAY

Residents who pay rent on income shall reimburse the Authority for the difference between the rent that was paid and the rent that should have been charged if proper notice of income change had been given and if the following circumstances occur:

- a) Resident does not submit rent review information by the date specified in the Authority's request; or
- b) Resident submits false information at Admission or at annual, special, or interim review.

Resident is not required to reimburse the Authority for undercharges caused solely by the Authority's failure to follow US Department of Housing and Urban Development's procedures for computing rent.

Section 9 RESTRICTIONS ON ALTERATIONS

The Resident shall not do any of the following without first obtaining the Authority's written permission:

- a) Dismantle, change or remove any part of the appliances, fixtures or equipment in the dwelling unit;

Section 10 ACCESS BY AUTHORITY

The Authority shall provide 48 hours written advance notice to the Resident of Authority's intent to enter the dwelling unit for the purpose of performing routine inspections and preventive maintenance, or to show the dwelling unit for re-renting. The notice shall specify the date and purpose for the entry. The Resident shall permit the Authority, its agents, or other persons to enter the dwelling unit for these purposes. In the event that the Resident and all adult members of the household are absent from the dwelling unit at the time of entry, the Authority shall leave card stating the date, time, name of the person entering the dwelling unit, and the purpose of the visit. A Resident's request for repairs, maintenance or services constitutes permission to enter the premises.

The Authority may enter the dwelling unit at any time without advance notice when there is reasonable cause to believe an emergency exists.

Section 11 TRANSFERS

- a) Resident agrees that if Authority determines that the size of the apartment is no longer appropriate to Resident's needs, the Authority shall send Resident written notice. Resident further agrees to accept a new lease for a different apartment of the appropriate size or design, and to leave the apartment from which Resident is being moved in clean and safe condition.
- b) The Authority may move a Resident into another apartment if it is determined necessary to rehabilitate Resident's apartment.

- g) In all transfers, the time to move will not exceed three (3) calendar days unless an unusual hardship condition exists. If the Resident fails to move to the designated dwelling unit within the notice period specified by the authority, the Authority may terminate this Lease.
- h) Authority will consider any Residents request for transfers in accordance with the transfer priorities established in the ACOPP.
- i) All costs related to unit transfers will be borne by the Resident with exception of (b) above.

Section 12 OCCUPANCY OF THE PREMISES AND RESIDENT'S OBLIGATIONS

- a) Use and Occupancy of Dwelling: Resident shall have the right to exclusive use and occupancy of the apartment for Resident and other household members listed on the Lease. This provision permits reasonable accommodation of Resident's guests or visitors for a period not exceeding fourteen (14) calendar days each year. Permission may be granted, upon written request to the Authority, for an extension of this provision.
- b) Ability to Comply with Lease Terms: If, during the term of the Lease, Resident develops a diminished capacity to care for the apartment and, by reason of physical or mental impairment, is no longer able to comply with the material provisions of this Lease and cannot make arrangements for someone to aid him/her in complying with the terms of the Lease, and the Authority is unable to make reasonable accommodations, the Authority will defer to a designated member of Resident's family or some other suitable person for relocation assistance. If no such assistance is forthcoming, the Authority will provide referrals to appropriate agencies and will initiate action to terminate the Lease. The Authority will not assume responsibility for the actual move or moving costs. At the time of admission, all Residents must identify someone to be contacted in the case of an emergency. This provision does not exclude the care of foster children or live-in care of a member of Resident's family, provided the accommodation of such persons conforms to the Authority's ACOPP standards, and so long as the Authority has granted prior written approval for the foster child(ren), or live-in aide to reside in the apartment.
7. Not allow any person not listed as household members in Section 1 to receive mail at Resident's address or use the Resident's address for any purpose or on any documents.

In the event of Resident caused fire, the Resident agrees to pay the current Authority insurance deductible amount as damages and shall promptly remove all belongings from a fire damaged apartment and dispose of them. Resident shall take reasonable precautions to prevent fires and shall not disconnect any smoke detector and will report immediately any smoke detector that is not working properly.

Resident shall notify the Authority promptly of known need for repairs to Resident's dwelling unit, and of known unsafe or unsanitary conditions in the apartment or in common areas and grounds of the Authority. Resident's failure to report the need for repairs in a timely manner shall be considered to contribute to any damage that occurs.
24. Not commit any fraud in connection with any federal housing assistance program, and

- not receive assistance for occupancy of any other apartment assisted under any federal housing assistance program during the term of the Lease.
25. Not to tamper with the smoke detector to render it ineffective for its intended use. It shall be the responsibility of the Residents to test their own smoke detector(s) monthly and report any malfunction promptly to the Authority.
 26. Will not change or adjust the preset temperature on the hot water heater.

Section 13 CRIMINAL ACTIVITY

It is a serious violation of the terms of this Lease when a Resident, member of his/her household, guest, or any other person under Resident's control engages in any criminal activity that threatens the health, safety or right of peaceful enjoyment of Authority premises by other Residents, or employees of the Authority, or engages in any drug related criminal activity on or off the Authority premises.

Therefore, Resident agrees as follows:

- a) Resident, members of his/her household, guests, or any other person under Resident's control shall neither engage in any criminal activity on the Authority's premises, wherever located, that threatens the health, safety, or right to peaceful enjoyment of the Authority's premises by other Residents, or employees of the Authority, nor engage in any drug related criminal activity on or off the Authority premises.
- b) It shall be refutably presumed that any individual who is listed on the Lease as a member of Resident's household, or who otherwise is listed in Authority files as a member of Resident's household, and who engages in any criminal activity, jeopardizes the Resident and Resident family's right to continued occupancy, unless the Resident, before the date of any incident giving rise to any criminal activity, shall have specifically informed the Authority in writing that said individual is no longer a member of his/her household and no longer occupies the premises; and
- c) It shall be refutably presumed that any person engaging in said criminal activity is a guest or a visitor of the Resident or a member of Resident's household if said criminal activity takes place on the premises.

It shall be cause for immediate termination of the tenancy of an Authority Resident if such Resident, or a household member or guest (1) is fleeing to avoid prosecution, or custody or confinement after conviction, under the laws of the place from which the individual flees, for a crime, or attempt to commit a crime, which is a felony under the laws of the place from which the individual flees or, (2)

is violating a condition of probation or parole imposed under Federal or State law.

For the purpose of this Section of the Lease, criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other Residents or employees of the Authority, shall include, but is not limited to, any of the following:

- a) Physical assault or the threat of physical assault to any person whatsoever;
- b) Illegal use of a firearm or other weapon or the threat to use a firearm or other weapon;

Compliance with this Section of the Lease is a material condition of the Lease for continued occupancy of the premises by the Resident, Resident's household members or guests and violation shall be cause for termination of this Lease. If the Authority believes, in good faith, that a breach of this Section of the Lease has occurred, it may terminate this tenancy without regard to the following:

- a) Whether or not any person, whose conduct is at issue, has been arrested, charged, or convicted by law; or
- b) Whether or not the Resident had knowledge, in fact, of criminal activity engaged in by a member of said Resident's household or of any guest or invitee of said Resident or a member of said Resident's household.

For the purpose of this Section of the Lease it shall be conclusively presumed that a breach hereof constitutes a serious and clear danger to the health or safety of other Residents or employees of the Authority. Any violation of this section is a serious violation of a material term of the Lease and is good cause for termination of tenancy and for eviction from the apartment.

The Authority will hold this security deposit for the period the Resident occupies the dwelling unit. The Authority shall not use the security deposit for rent or other charges while the Resident is living in the dwelling unit.

Criminal activity or drug related criminal activity is cause for eviction without an arrest or conviction.

For all evictions other than nonpayment of rent, the Resident will remain liable for payment of rent and acceptance of rent will not constitute a waiver.

Section 20 NOTICE OF LEASE TERMINATION

If the authority proposes to terminate this Lease, the Resident shall be given written notice of the proposed termination, as listed below:

- a) For failure to pay rent, at least fourteen (14) calendar days;
- b) For creation or maintenance of a threat to health or safety of other Residents or the Authority's employees, a reasonable time based on the urgency of the situation; or
- c) For all other cases, thirty (30) calendar days, unless State laws permit a shorter period.

The notice termination:

- a) The notice of termination to the Resident shall state specific reason for the termination and shall inform Resident of their right to file a grievance;
- b) Any notice to vacate the premises which is required by state or local law may be combined with, or run concurrently with the notice of Lease termination set out in this section. The Resident will be charge with all costs including, but not limited to, court costs and attorney fees unless the resident prevails in court.

The Notice of Lease Termination from the Authority shall be served by the Sheriff or other means as allowed by State Law in a manner allowed by State Law, or sent to the resident by first class mail, properly addressed, postage pre-paid. The notice shall:

In appropriate cases, the Authority may permit continued occupancy by remaining household members and may impose a condition that household members who engaged in the proscribed activity will not reside in the apartment. The Authority may require a household member who has engaged in illegal use of drugs to present credible evidence of successful completion of a treatment program as a condition of being allowed to reside in the apartment.
- e) The Authority may terminate this Lease for serious or repeated violations of Resident's obligations under any section of this Lease or for other good cause. The specific mention in this Lease that certain violations are considered serious violations and grounds for termination of the Lease do not prohibit the Authority from asserting in any proceeding that other violations of the Lease are serious violations and grounds for termination. The Authority's failure to terminate the Lease for a serious repeated violation shall not prohibit the Authority from terminating the Lease based upon a resident's subsequent, serious or repeated violation.

Section 21 LEASE TERMINATION BY RESIDENT

The Resident may terminate this Lease by giving a thirty (30) calendar day notice to the Authority in writing as described in Notice Procedures Section. The termination of the Lease under this section shall not relieve the Resident's estate from liability either for payment of rent or other amounts owed prior to or during the notice period, or for the payment of amounts necessary to restore the premises to their condition at the beginning of the Resident's occupancy, normal wear and tear excepted.

If during the term of this Lease, the Resident, by reason of physical or mental impairment, is no longer able to comply with material provisions of this Lease, and the Authority cannot make a reasonable accommodation to enable the Resident to comply with the Lease, than action shall be taken. The Authority will assist the Resident or designated member(s) of the Resident's family to move the Resident to more suitable housing. If there are no family members, the Authority will work with appropriate agencies to secure suitable housing. This Lease will terminate upon the Resident moving from the unit.

Section 23 PROPERTY ABANDONMENT

If a Resident abandons the dwelling unit, the Authority shall take possession of the Resident's personal property remaining on the premises, and shall store and care for the property. The Authority will consider the unit to be abandoned when a Resident has fallen behind in rent and has clearly indicated by words and actions an intention not to continue living in the unit. The Authority has a claim against the Resident for reasonable costs and expenses incurred in removing the property, in storing and caring for the property, and in selling the property. In addition, the Residents is responsible for rent until the date the Authority becomes aware the unit is vacant. The Authority can collect from the resident all these costs.

The Authority may sell or otherwise dispose of the property thirty (30) calendar days after the Authority receives actual notice of abandonment or thirty (30) calendar days after it reasonably appears to the Authority that the Resident has abandoned the premises, whichever date occurs last. At least fourteen (14) calendar days prior to the sale, the PHA agrees to make reasonable efforts to notify the Resident of the sale by sending written notice of the sale by certified mail, return receipt requested, to the Resident's last known address. The Authority may use the money from the sale to pay off any debts the Resident owes the Authority, Any amount above this belongs to the Resident, if the Resident has written and asked for it.
